ARE YOU:

- Age 55+?
- Willing to share your hobbies and experiences with a young person?
- Lonely or could use extra company each week?
- In need of assistance with light house/yard work?
- Interested in helping students with their education?

If you fit any of the above categories, ask your local SDA school about PFE!

“ I love having a young person to mentor. She brings joy to my life and it has helped me very much to be needed in this way. ”
