

## PFE 9-12 Parent/Guardian Commitments

Welcome to the Partnering for Eternity family! We are excited that your child is participating in PFE this year. We hope they will make a difference in the life of their mentor, participate in service activities, and benefit from tuition assistance. To have a successful program year, we need you to be an active participant in the program as well.

### Commitments

- Support your local PFE team in selecting a great mentor match for your student
  - The mentor cannot be a relative
  - Two students cannot share a mentor
- Attend student/parent orientation
- Help your student set up an account on the reporting website
- Decide if you will transport/supervise weekly visits (you are responsible for them)
  - Communicate your plan with your local PFE coordinator
- Your student must complete 14 weeks of visits each term in order to receive scholarship
- Make sure your student submits their visit reflection the day of their visit (can be done during visit)
- Communicate with your local PFE coordinator about any concerns or challenges
- Help your student complete any surveys or questionnaires from PFE Administration

Being able to make these commitments is crucial to your child participating in and getting the most out of PFE. If you are unable to commit, your child may need to be removed from the program.

I understand that my student's participation in this program is voluntary.

I understand that my student must complete both the visits and the reflections to receive PFE scholarship.

I understand that if my student doesn't fulfill the requirements of the program, they may be removed from future programming
