

## Student Packet (K-8)

Partnering for Eternity is a scholarship program that seeks to provide students with opportunities to serve, ease senior isolation, and help with tuition assistance. This program was founded in 2006, inspired by a child who connected with an older adult, creating a lifelong friendship. We are currently partnered with 200+ Seventh-day Adventist schools across the United States who are receiving the rich blessings of PFE.

We are excited to present you with the opportunity to join the PFE family.

## K-8 Guidelines & Agreements

We are excited that your child is participating in PFE this year. We hope they will make a difference in the life of their mentor, participate in service activities, and benefit from tuition assistance.

Please review the PFE guidelines as you make a commitment to upholding them.

- ◇ My child and I will attend orientation each year that we participate in PFE.
- ◇ I will help my child create an account on the reflection website before we start visits and understand that we will need a working email address to use for their login. If I have more than one child in the program, I will need two different email addresses.
- ◇ My child will only have one mentor. If their mentor cannot continue PFE mid-year, I will talk to my local PFE team about options.
- ◇ My child's participation is based on a passion to serve or interest in being mentored, not simply a financial need.
- ◇ My child's mentor will not be a family member, no matter how distantly related.
- ◇ My child and mentor will visit one-on-one, not in a group setting (even with other family members).
- ◇ My child's mentor will not live in a nursing home. If my child's mentor moves to a nursing home mid-year, I will talk to my PFE team about options.
- ◇ My child's mentor will be cognitively healthy (not having dementia or Alzheimer's). If my child's mentor starts to show cognitive decline during the year, I will talk to my local PFE team.
- ◇ My child and mentor will visit not conduct their visit at school/church/or place of employment.
- ◇ Virtual visits, watching TV, attending church and school events, or doing activities where my child and their mentor don't interact will not be accepted as PFE time.
- ◇ Either I or another parent/guardian will be present (within eyesight/earshot) for the entirety of all visits between my child and their mentor, providing supervision and helping as needed.
- ◇ I will talk to the PFE coordinator if we miss a visit and need to do a make-up.
- ◇ My child (with my help) will complete a reflection at the end of each visit of their visit. I understand that if we miss the deadline, we will not receive scholarship for that visit.
- ◇ I will check to make sure the PFE coordinator is reviewing my child's reflections weekly so that we don't miss out on scholarship.
- ◇ 100% of my child's scholarship earnings will be applied to our tuition.
- ◇ My child and I will participate in PFE fundraising events or activities, unless the school does not require our help.
- ◇ If I experience any technical issues while submitting a reflection, I will communicate with the PFE team immediately. I understand that not communicating immediately may result in our missing scholarship.
